ANDOVER-FRANKLIN PUBLIC INFORMATIONAL MEETING
RECONSTRUCTING 2.5 MILES OF NH ROUTE 11

The New Hampshire Department of Transportation announces a combined Public Officials/Public Informational Meeting will be held Thursday, January 15, 2004 in Andover to discuss the planned reconstruction of a section of NH Route 11.

This NH Route 11 project begins 300 feet east of Sam Hill Road in East Andover and proceeds east 2.5 miles to approximately 1,500 feet west of Chance Pond Road in Franklin. The roadway will be widened to provide an 11-foot traveled way and a four-foot paved shoulder in each direction. Also included are drainage and guardrail improvements.

The January 15 public meeting to display the current concept and obtain input will be held at the Andover Town Office, 31 School Street, in Andover, NH, at 7:00 PM followed by a question and comment period.
